I have something I want to ask you!
Yes?

What kind of person are you?
You're here every day
You want to know?

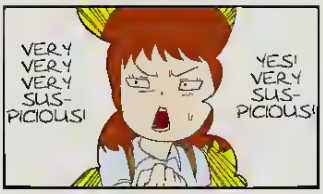
I-It's not that I want to know It's just strange!
It's not what you'd expect from a 23-year old

Appearing suddenly, surprising me
Nope.
Do you live in this tunnel?
Then what? Are you a NEET?

Hm...
Do you call a part-time worker a NEET? I'm working as well

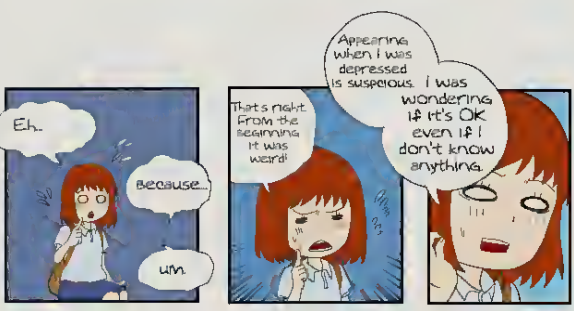
음...
Suwan Yes, that's true.

Am I that suspicious?



VERY VERY VERY SUS-PICIOUS!
YES! VERY SUS-PICIOUS!

Why?



Eh..
Because..

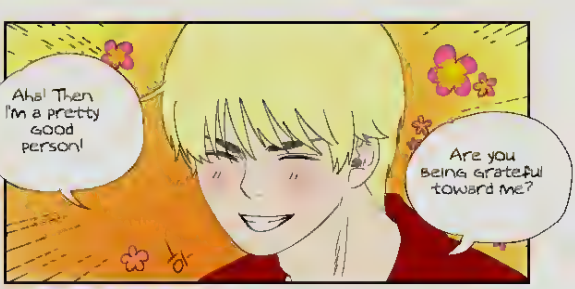
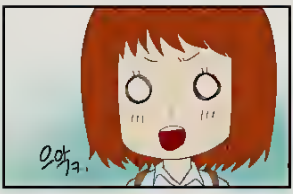
That's right from the beginning it was weird!
Appearing when i was depressed is suspeious. i was wondering if it's OK even if i don't know anything.

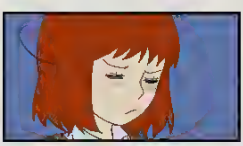
...!

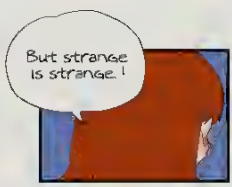


Aha! Then I'm a pretty good person!
Are you being grateful toward me?



어?





But strange is strange!

Once in a while let me hear Onii-san talk!
It's unfair that I'm the only one!
Hm~

If I talk, it'll be boring, though?
That's not fair!

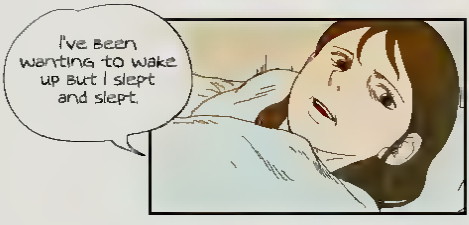
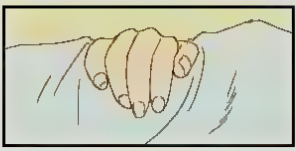
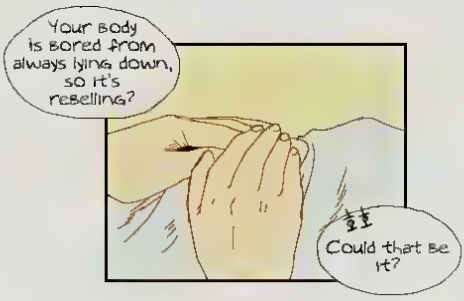
Kanata? When did you come?
Ah, just a bit earlier

Sorry, did I wake you up?
You didn't.

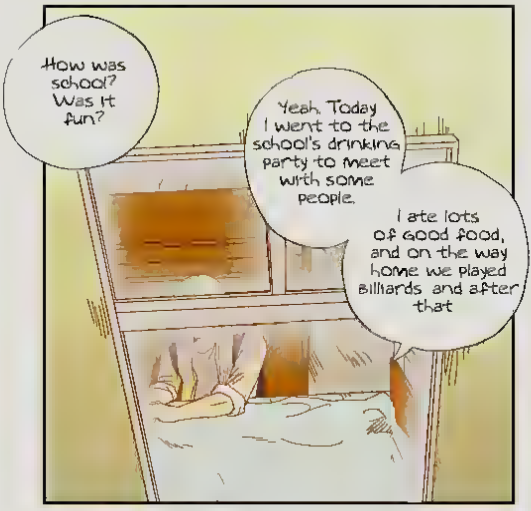


I've been wanting to wake up but I slept and slept.





Your body is bored from always lying down, so it's rebelling?
Could that be it?



How was school? Was it fun?
Yeah. Today I went to the school's drinking party to meet with some people.
I ate lots of good food, and on the way home we played billiards and after that

...I see. It was a fun day
